No More Shoelaces!

Thanks to Flint's invention for Spray-On Shoes we don't ever have to worry about tying our shoelaces again! Create a design for your very own spray-on shoes and then color them in.

Mamma Mia! A Spaghetti Twister is Heading Our Way!

In order to prevent the Spaghetti Twister from reaching the town of Chewandswallow search for the following words in the twister and circle them—before it's too late!

Celery

Ice Cream

Oregano

Cloudy with a Chance of ... ?

Thanks to my new "FLDSMDFR" (my invention) I can now make it rain your favorite food...
But I need your help! Please draw an image of your favorite food as it falls down from the sky!
